\$450,000

Description

James P. Senatore, Architect provided architectural services for the design of the new Children's Advocacy Center. While working very closely with Ms. Hewitt, Senatore designed the building in accordance with LEED standards. Mr. Senatore's design included a material called Azek, which is a PVC LEED product, the exterior brick was recycled, and the interior flooring was constructed with recycled products.

Nature of Work

- LEED Design
- Cost Estimating and Control
- Construction Administration
