Description

James P. Senatore Architect/Contractor worked closely with Pastor Simmons to provide architectural and engineering design, permitting and construction services for the 44,819 sf new building to serve the Community. James P. Senatore Architect/Contractor provided design/build services for this community Sanctuary with stadium seating, Gymnasium, Classrooms and Offices. Senatore Architect / Contractor performed this as design-build total project completion. Due to Mr. Senatore's local knowledge of the contractors and sub-contractors, he had the capacity to control and reduce costs. In addition, all subcontractor information and bid estimates were provided to the Owner for review and evaluation during the cost savings process.

Final Project Cost
\$4,000,000
